Well the votes are in and our Netball club's chosen **charity** for this year is **Julia's House Hospice**. We will be raising money throughout the year with various events. If you have any ideas about fund raising events please let us know. Also Julia's House has invited us to come along to their **Open Day & Evening on Wednesday 11th March**. It would be nice if we could arrange for a small group of Pewsey Members to go along. Please let us know if you are interested in doing this.

On Sunday, a group of Pewsey players went to Bath University for a training session with **Kim Commane**, a star player in the **Team Bath Superleague Netball Team**. There was lots to learn and Kim pitched it just right with lots of new skills and tactics but nothing too intense or intimidating! It was such a positive experience we are hoping to organise another session with Kim, this time in Pewsey, so keep a look out for news about that.

We would love to hear your thoughts on your club. If you have any comments or suggestions please let us know or use the link on the Documents page of the club website

Blacks missed the first training session of the year as they had a rearranged match against Holt White. Despite horrid weather it was a great win 42-18. Well done Hanna Daw, playing up from Reds, who got POM and appeared to love every second of playing WD! Blacks also had a match last Tuesday against Devizes, unfortunately losing this one 36-22. However, that's still a point for getting half the

opponents score and well done to Jenna who got POM for this match.

We have sadly had to say **goodbye** to Nicole who has got about as far away as she can from us by flying off to New Zealand. Blacks also have a couple of injured players. Cheryl and Lauren **Get Better Soon!**

Red Team

Reds have their first match of 2020 this week. They will be playing Holt Gems and are hoping for a good game and a win (worth 5 points) to see them moving closer to Chippenham 7 in second spot. The match is at **7.15pm this Thursday (16th) at Devizes Leisure centre**. Please come along and support if you can, it really lifts the team to have people cheering on the side lines.

Reds have also had to say **goodbye** to a player. Jilly has sadly left us, but has not gone quite as far as Nicole, she's only gone to Newbury! Reds also have a couple of new members in their squad, so **Welcome** Scarlet and Rachel.

White Team

The Whites will be starting the second half of the season with a **New Team Manager**, Linda. She will be helping with team selection and helping the team prepare for their matches. Whites' **first match** of 2020 has been rescheduled and is now **Thursday 30th January 7.30 V Tidworth at St Francis**. If you're not playing in this match please come along and support. We have also had some new players coming along to training so hopefully some of these will be joining the Whites squad too.
